- ✔ **Create a Research Center At No Additional Cost**

- ✔ #1 Training Program in Israel
- ✔ Innovation R&D Center of Matrix, Israel's largest Technology Solution Company
- ✔ Unique Program Qualifies Professionals in 7 months, instead of 7 years of Academia + Experience
- ✔ Infinity Labs Graduates Preferred Over Software Professionals with 3-4 Years' Experience
- ✔ Over 200 Corporations Employ Infinity Labs Graduates

Establish a Training & Research Center Using Your Existing Budget

- ✔ Train Up To 200 New Professionals a Year Using Infinity's Unique Methodology & Content
- ✔ Lifetime Guarantee: Technical Materials Available to Graduates Throughout Their Entire Career

Create Developers

- ✓ **Unique Methodology**
The C.R.E.A.T.E Learning Spiral

Participants in the program learn how to quickly adopt new technologies. Together with Infinity Labs' Lifetime-Guarantee, this is the last training participants will ever need.

- ✓ **Unique Content**

Participants learn how to be excellent software developers, not just how to use some specific tools.

- ✓ **Unique Results**

Within 7 months, graduates are as capable as developers with 3-4 years experience.

Boost Your Technological Capabilities

- ✓ **Train entire groups that know how to work together as a team.**
- ✓ **Infinity graduates:**
 - Work independently and effectively.
 - Learn how to learn new technologies.
 - Commit to long term employment.
 - Fully prepared for a lifetime of technical expertise.
- ✓ **Unique methodology enables research activities at no additional cost.**
